

Specialist FX treatment:

All specialist skin services include deep pore cleaning where applicable and required.

Bright-FX £85:

Goals for brighter looking skin? Do you have pigmentation or unwanted markings and discolouration perhaps caused by acne, pregnancy, uv damage? A combined treatment consisting of a targeted safe chemical peel consuming a 'cocktail' of acids WITH a special application active gel mask which contains 30% 'even tone fighting' active ingredients, including LED red and green light therapy.

Recovery-FX £85:

Stressed, inflamed, sensitised skin that requires some recovery and repair? This treatment is particularly recommended for skin rejuvenation, repairing the lipid barrier, acne /skin conditions and the prevention of photo aging. Using a targeted repairing chemical peel followed by a powerful unique booster containing anti-oxidants, growth factors, with an auto-neutralizing release applied under a special peel off mask to allow for deep penetration. Booster is left on the skin so you have instant glow. Accelerate your skins health, glow, evened tone, texture and so much more.

Firm-FX £85:

Results driven anti ageing treatment. Designed to stimulate the renewal of collagen, promoting hydration and lifting. Great for dry skin especially as we transition seasons. Designed to deliver youthful, glowing healthy skin.

The two main elements are a combination deep penetrating peel combined with the use of combined radio frequency technology. One key ingredient not used in other treatments with an incredible firming focus is DMAE.

Hydra-FX £85:

This treatment is completely bespoke to you and your skins needs. This is what is included as standard: Steam and extraction, two chemical peels, Oxygen fusion and LED light therapy. All ingredients/LED functions are selected based on goals.

Pure-FX £85:

Designed to target congested, sebum managing, pores, breakout / acne prone skins. The Pure-FX aim is to target the skin specifically to clear and clean whilst managing the long term concerns you may have like breakouts. This is great for post acne sufferers who wish to manage their results, or excessively oily skins and those with congested pores, hormonal skins etc.

A multi step treatment enabling us to work on many concerns in-depth in one appointment.

Smooth-FX £85:

This treatment is exactly that - designed to deliver super smooth skin by combining two key elements: Dermaplaning and a suitably safe chemical peel. Treatment also includes congestion extraction, preparation peel & soothing mask application.

Rejuve-FX £85:

Focused to target the deeper layers of the skin to deliver an anti ageing and brightening evening skin tone complexion.

A multi combination treatment that targets the deeper layers of the dermal. This is where pigmentation, collagen and elastin stores can be found. Treatment includes:

Ultra sonic and manual extraction, two chemical peels, radio frequency using multi polar technology and red LED light therapy.

Consultation required for all treatments. Prices subject to change.
